The 80s had *Back to the Future*, the 90s had *Bill & Ted's Bogus Journey*, the 00s had the Special Edition DVDs of *Back to the Future* and *Bill & Ted*, and now, fresh and new for the 10s, we bring you **TIME LOG**! Follow along as Pete and Nick travel through time and space, wreaking havoc on the history of America as they fight against vicious Futurenazis. You'll sing, you'll laugh, you'll scratch your heads at the wholly plausible scientific explanations of the most modern vision ever committed to the page of how time travel *actually* works, as you read through the first full-length comic by the innovative creators of **ZOMBIE PALIN** and **SUPER HATERS**, who've teamed up with the genius behind **EXPLORERS OF THE UNKNOWN** and **GELLO APOCALYPSE**, to finally realize the decade-in-the-making project of documenting just what happened when two best friends, empowered with the ability to travel through time, decided that... **STEPHEN FOSTER MUST DIE!**

FOREWARD BY PETE BORREBACH

When Nick and I first started work on what would eventually become the comic book you now hold in your hands, we had no idea that we were even creating a comic book, nor did we realize that it would take ten long years to finally come into being. Indeed, we thought that it would one day become a movie, even going so far as to shoot our own silent 8mm footage of a single Time Log scene (<http://timelogfilm.audioshocker.com>) in 2001. After shooting that scene, we realized that it would be best to put the project on ice for a while (you'll see what we're talking about after you watch that scene). Fast forward to 2005. In the process of preparing our ill-fated attempt to land jobs writing for Cracked Magazine, Nick and I decided to also return to Time Log, knowing then that the story's destiny now lay in comics. After two more years of work, in the summer of 2007, we finally had a script worth pitching to artists. By September of 2007, Shawn Atkins was on board, and it only took another two and a half years to get the comic penciled, inked, and lettered. As the years passed, we learned many things and the story evolved, devolved, and re-evolved. One thing we never learned, though, was that it can be kind of awkward to name your characters after yourselves. But that's what we had to do, because everything you're about to read **actually** happened...

I DON'T UNDERSTAND WHY YOU'RE NOT MORE OFFENDED BY THAT STATUE!!!

IT'S THE TYPICAL RECONSTRUCTION ERA SETUP --
THE STERN AND STOIC WHITE MAN, STEPHEN FOSTER, IS IN AN
OBVIOUSLY SUPERIOR POSITION OVER THE FOLKSY OLD
BLACK MAN, WHO'S BAREFOOT, SMILING, AND PLAYING A BANJO.

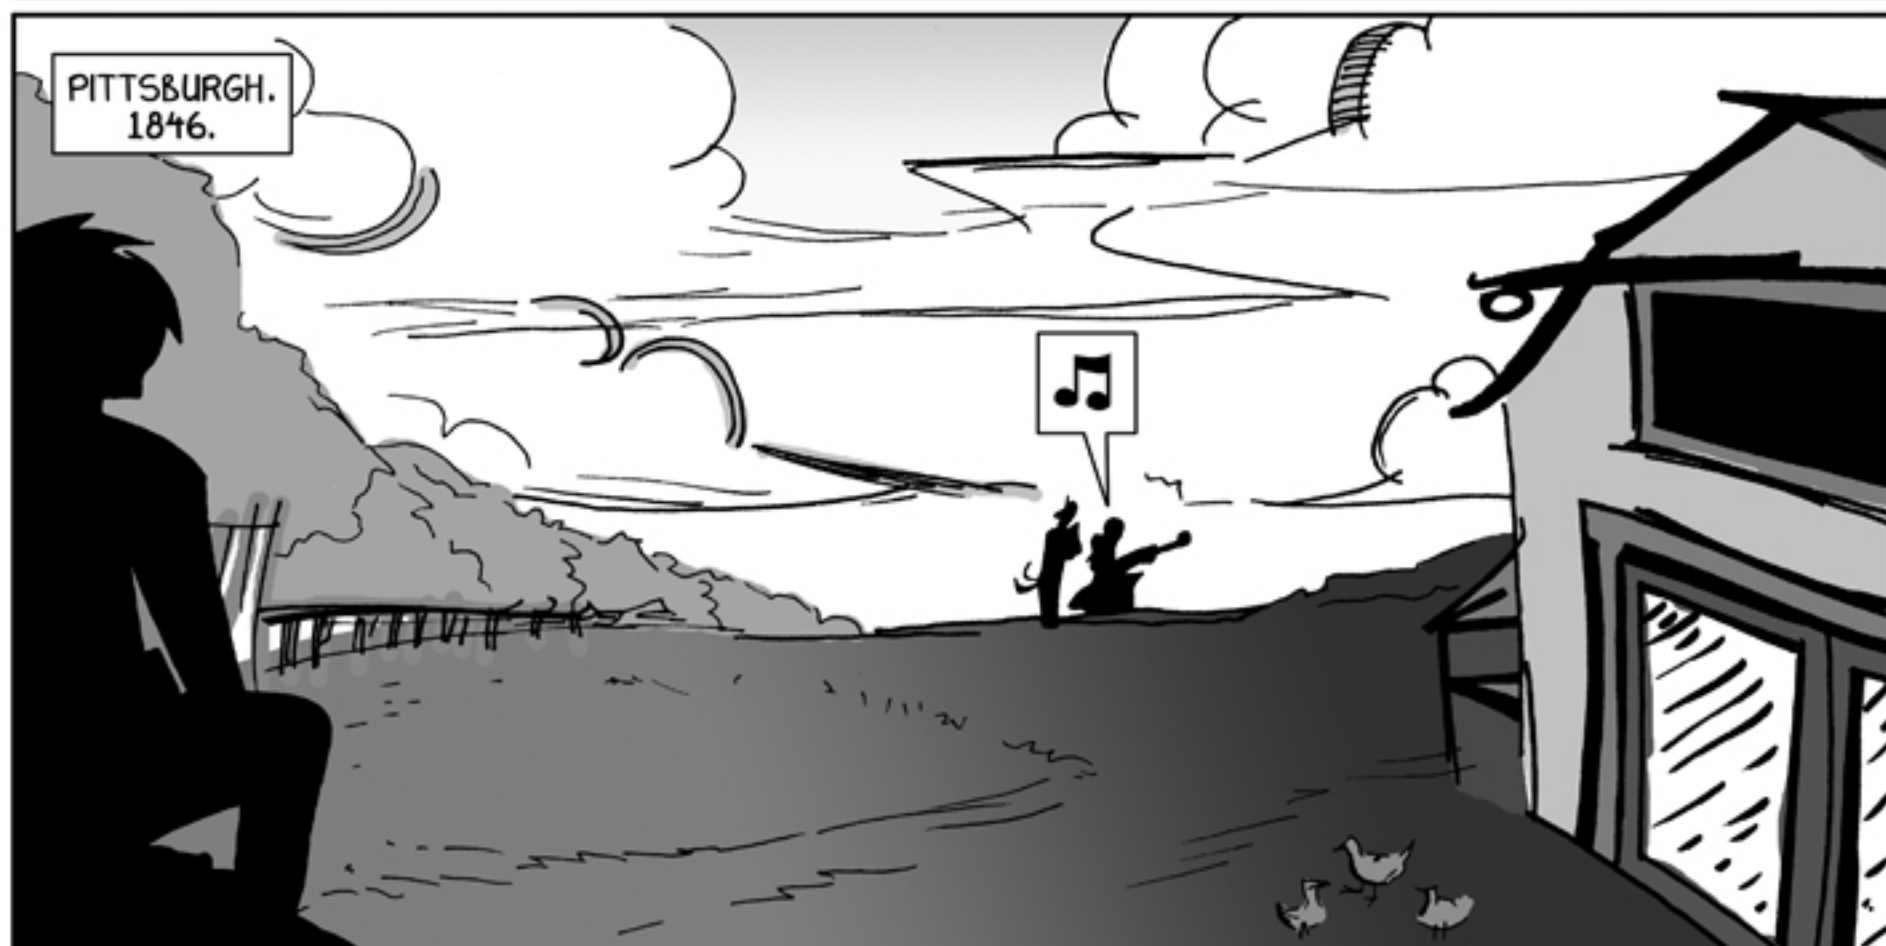

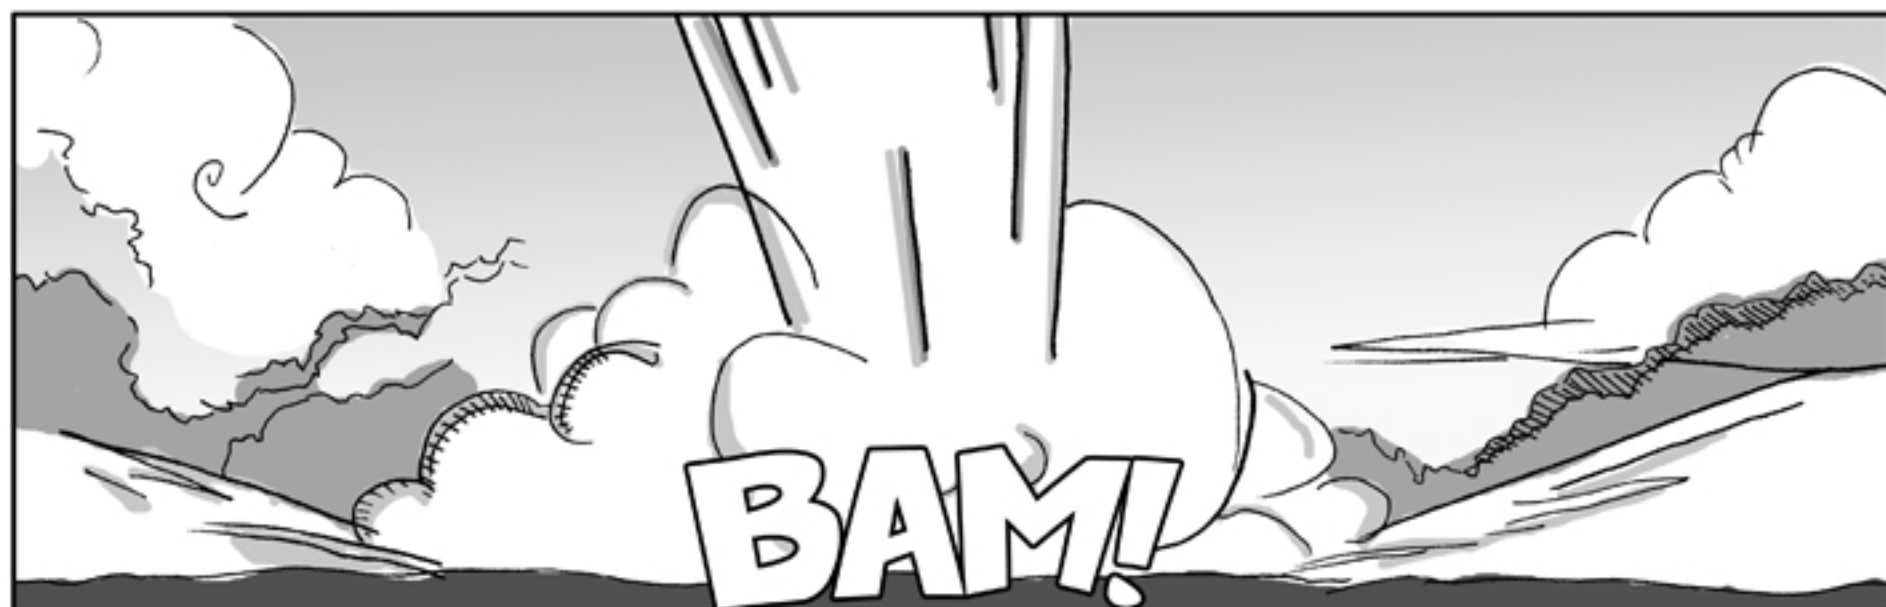

STEPHEN FOSTER IS SUPPOSED TO BE FAMOUS FOR BEING A COMPOSER, BUT THE STATUE MAKES
HIM LOOK MORE LIKE A RACIST DICTATOR! IT'S OFFENSIVE TO ME, AND SHOULD BE OFFENSIVE TO ANY
DECENT-HEARTED CITIZEN OF THIS CITY. I'D LOVE TO TEAR THAT STATUE RIGHT OUT OF THE GROUND.

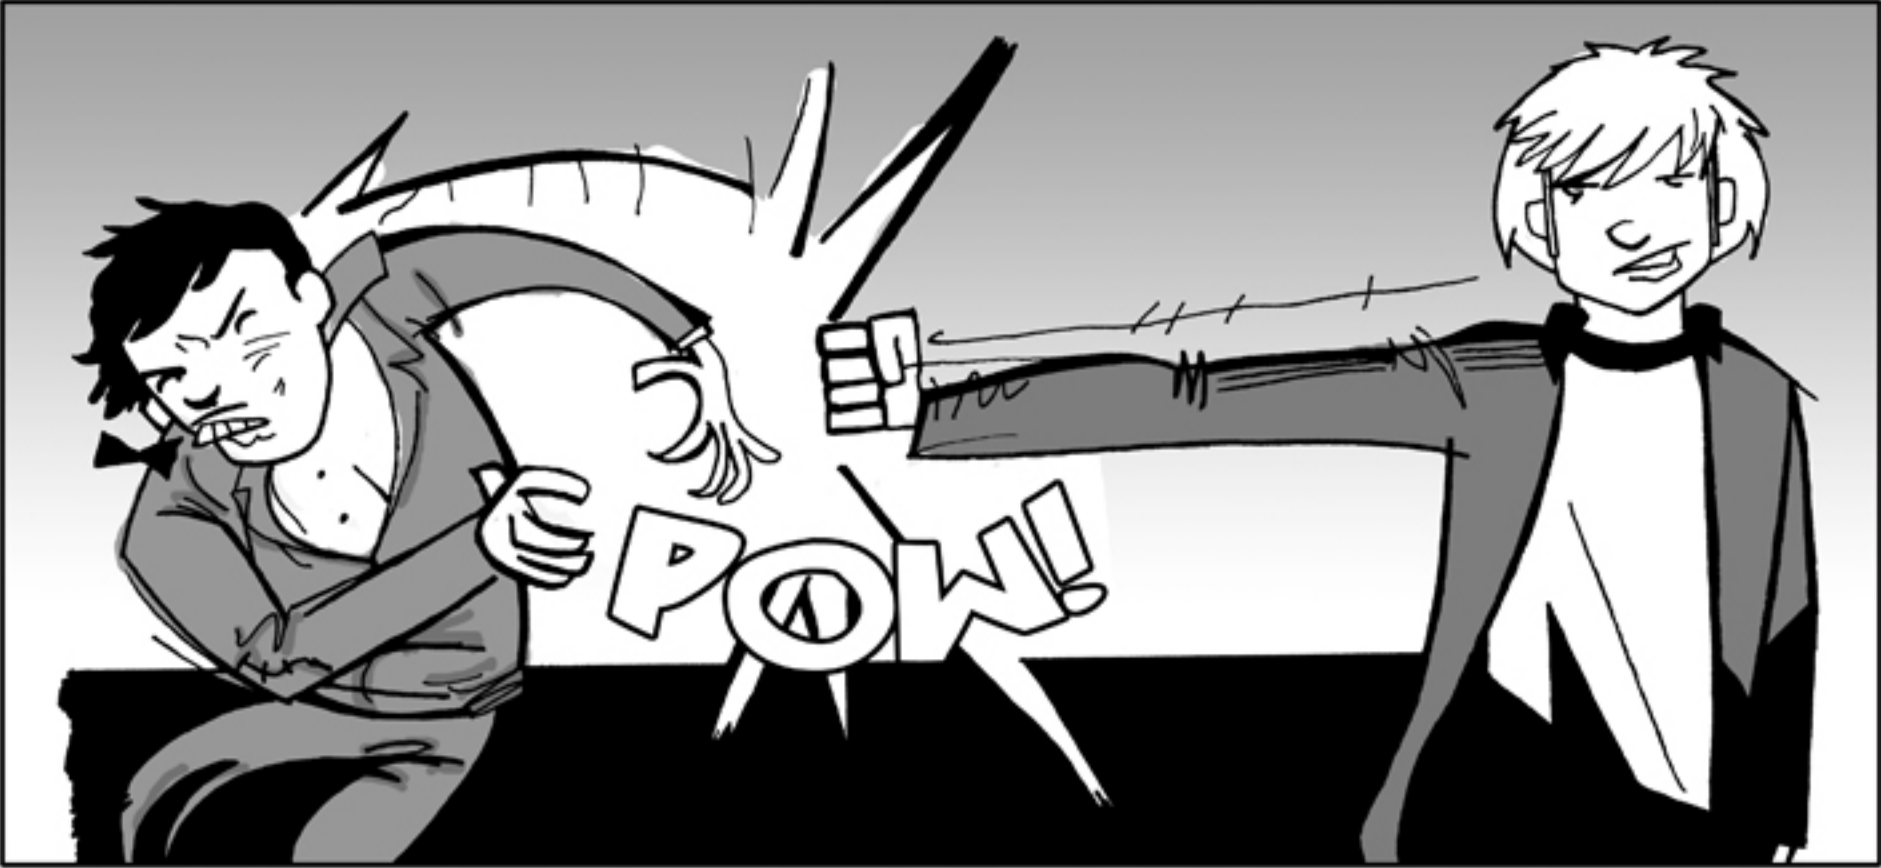

IF PEOPLE REALLY WANT TO PRESERVE HISTORY, THEN
THEY SHOULD SHOW FOSTER AS HE WAS WHEN HE DIED...

THE TIME
VORTEX.

DON'T MAKE ANOTHER MOVE.

ALRIGHT, WHAT
IN THE HELL IS
GOING ON???

SINCE THE END OF THE SECOND GREAT WAR, THERE'S ALWAYS BEEN A CONTINGENT OF PEOPLE WHO BELIEVED IN THE TEACHINGS OF ADOLF HITLER. AMONGST THEM WERE THOSE OF US WHO TRULY BELIEVED THAT WE COULD BRING HITLER BACK, ONCE WE MASTERED THE TECHNOLOGY TO DO IT. IT WAS I WHO FINALLY REALIZED WHAT WE COULD DO! WHY BRING HITLER TO US WHEN WE COULD FIND A WAY TO TAKE US TO HIM? AFTER SEVERAL YEARS OF TEDIOUS RESEARCH, THE TIME VORTEX WAS BORN. AS WE BEGAN TO TEST OUR TIME TRAVEL DEVICES, WE REALIZED THAT IT WASN'T NEARLY AS SIMPLE AS THE SCIENCE FICTION OF YOUR OWN TIME WOULD HAVE IT. WE ALL TRIED GOING BACK IN TIME VIA THE VORTEX, BUT WE COULD ONLY GO TO SPECIFIC TIMES AND PLACES. DUE TO THE QUANTUM NATURE OF TIME-SPACE, WE AS QUANTUM ENTITIES COULD ONLY MOVE THROUGH THE TIME-SPACE CONTINUUM IN PATHS SET BY THE VARIOUS QUANTUM ENTANGLEMENTS THAT ASSOCIATE ONE ENTITY WITH ANOTHER. THUS WAS BEGUN THE SEARCH TO DISCOVER WHO IT WAS THAT WAS QUANTUM-ENTANGLED WITH HITLER AND WHEN THEY EXISTED. FINALLY, WE FOUND YOU, PETE, AND FASHIONED THE VORTEX CONTROL DEVICE TO LOOK LIKE WHAT YOU IN YOUR TIME CALL -- HAHAAHAHAHA -- A "LOG."

MAN, I REALLY
GOTTA PISS.

WHERE WAS I... AH, YES. THE PIECES OF THE PUZZLE FIT TOGETHER PERFECTLY, PETE, WHEN IT TURNED OUT THAT YOU HAD A DEEP HATRED FOR STEPHEN FOSTER, WHO IS CONNECTED WITH YOU AND HITLER VIA YOUR ENTANGLEMENTS TO FORM A QUANTUM TRIANGLE! WE SET THE TIME LOG TO TAKE YOU BACK TO 1846 SO YOU'D KILL STEPHEN FOSTER. THEN, HITLER, THROUGH HIS QUANTUM CONNECTIONS, WOULD FILL THE VOID LEFT IN THE ABSENCE OF FOSTER, THUS PUTTING HIM IN CONTROL OF THE HEARTS AND MINDS OF THE AMERICAN PEOPLE! SADLY, YOU FOOLISHLY DECIDED TO GO BACK IN TIME AGAIN AND STOP YOURSELF FROM KILLING FOSTER. IF YOU DON'T GO BACK AGAIN AND STOP YOURSELF FROM STOPPING YOURSELF FROM KILLING STEPHEN FOSTER, THEN I'M GOING KILL YOU AND YOUR STUPID LITTLE FRIENDS!!!

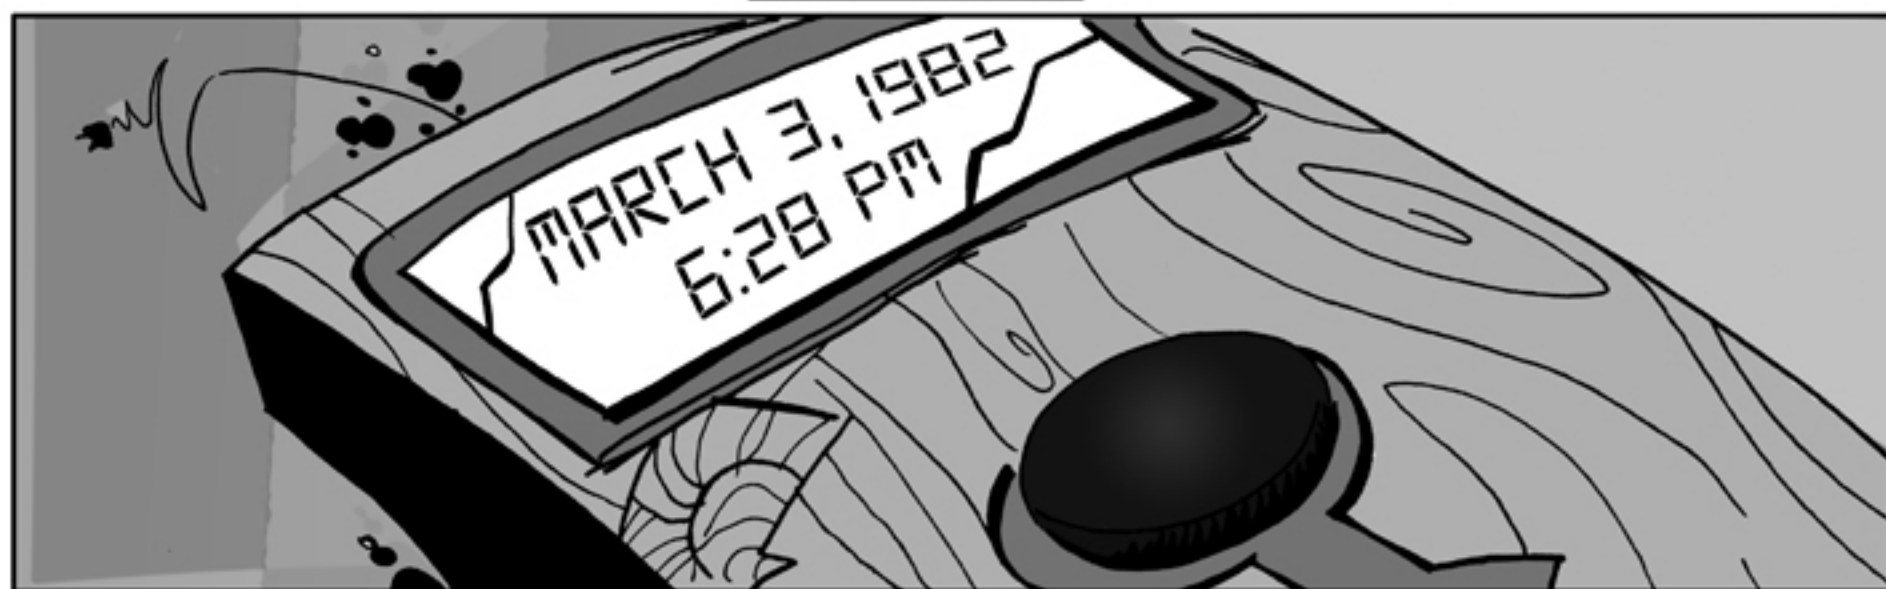

BUT WAIT... IF YOU NEED ME TO KILL FOSTER, THAT MEANS YOU CAN'T KILL US.

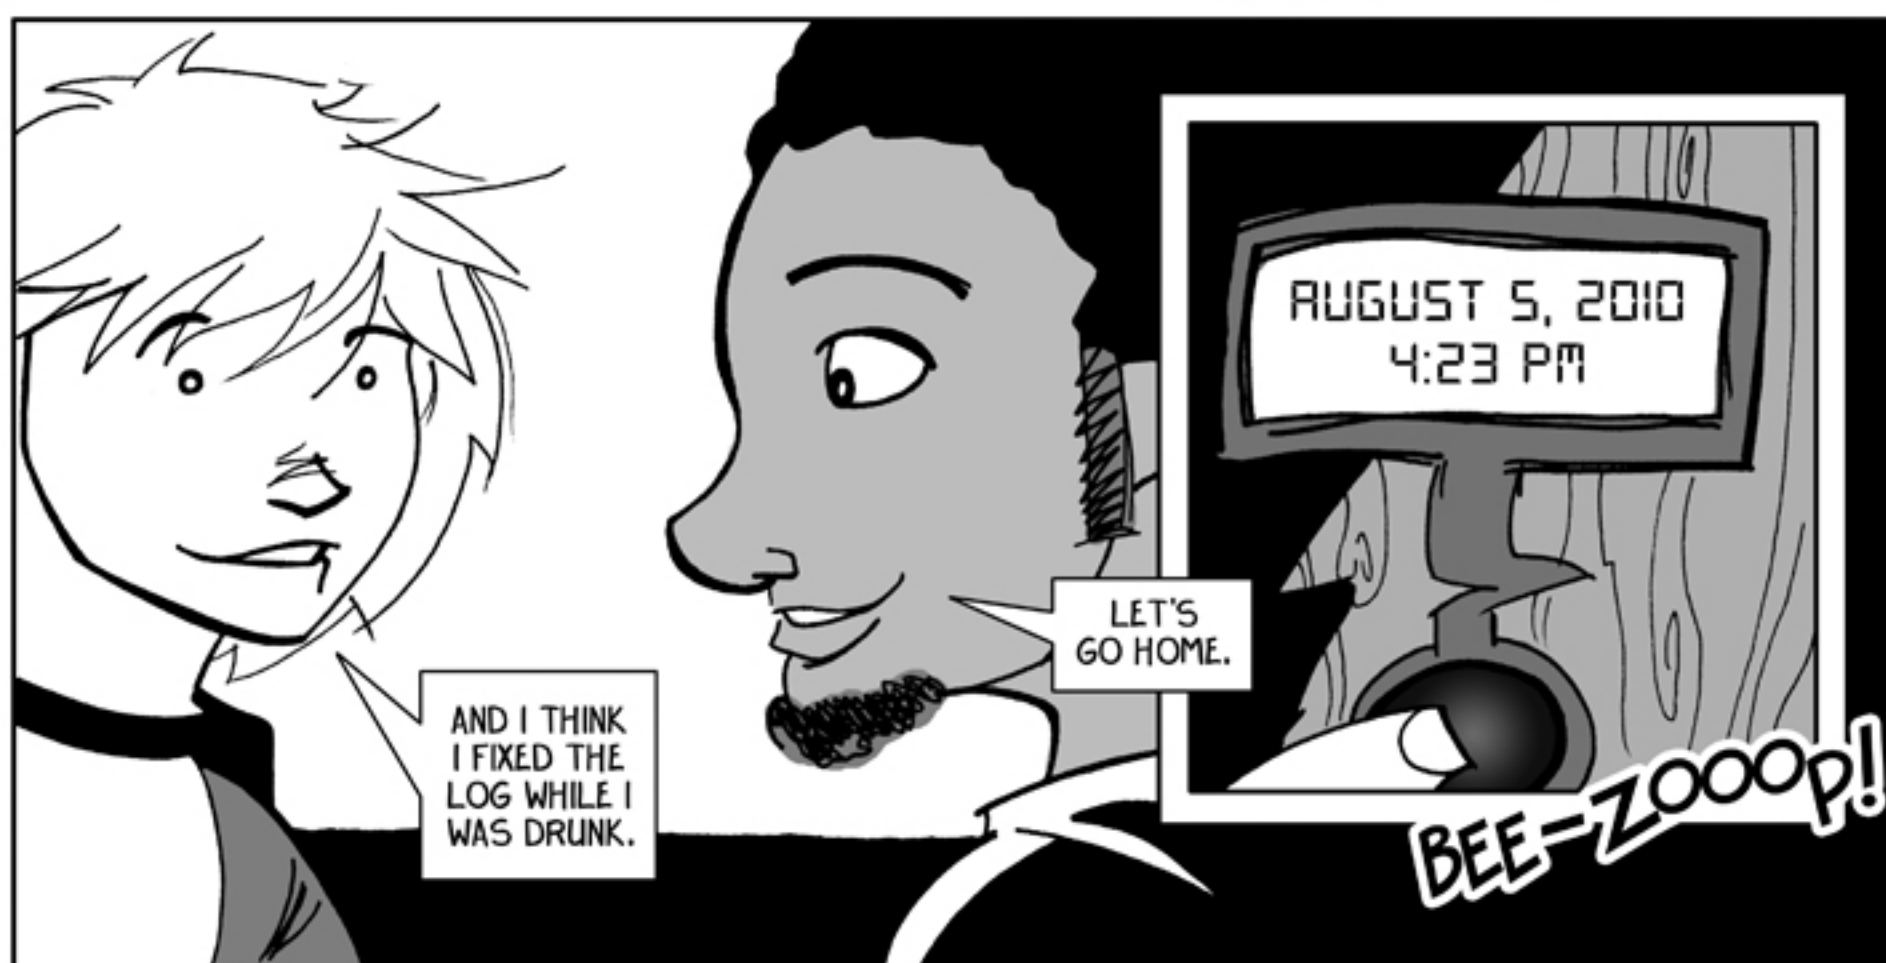

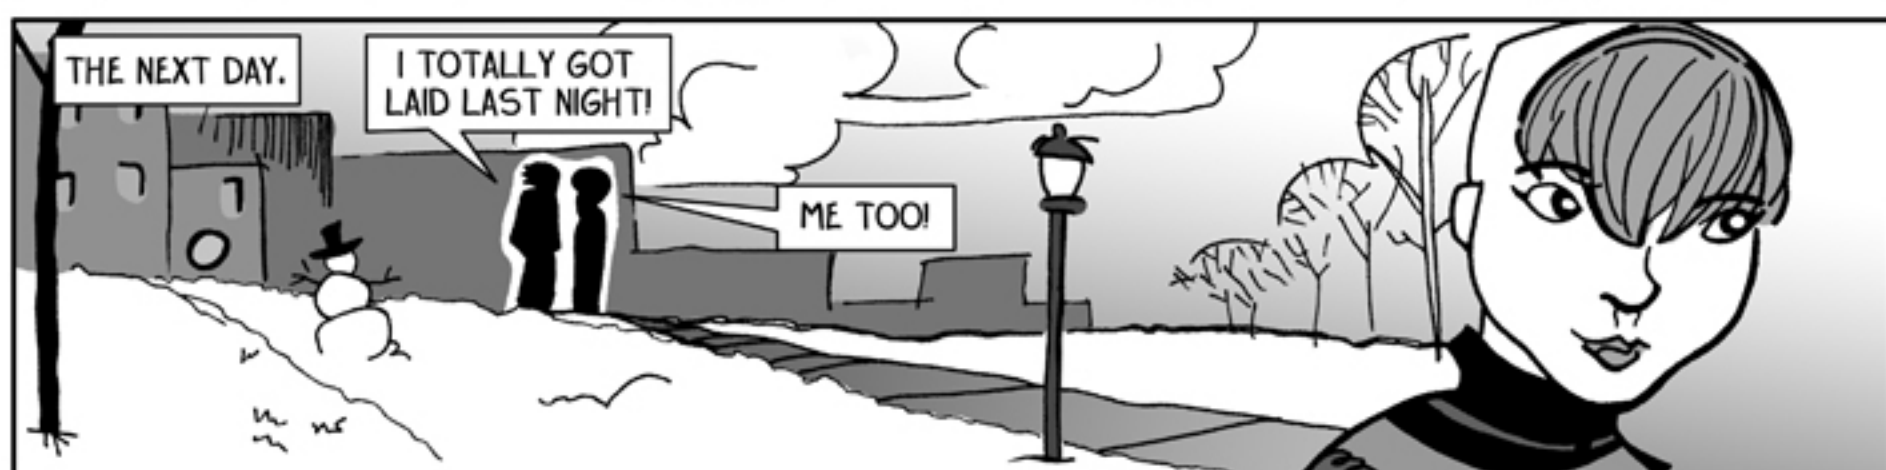

THEN LET'S...

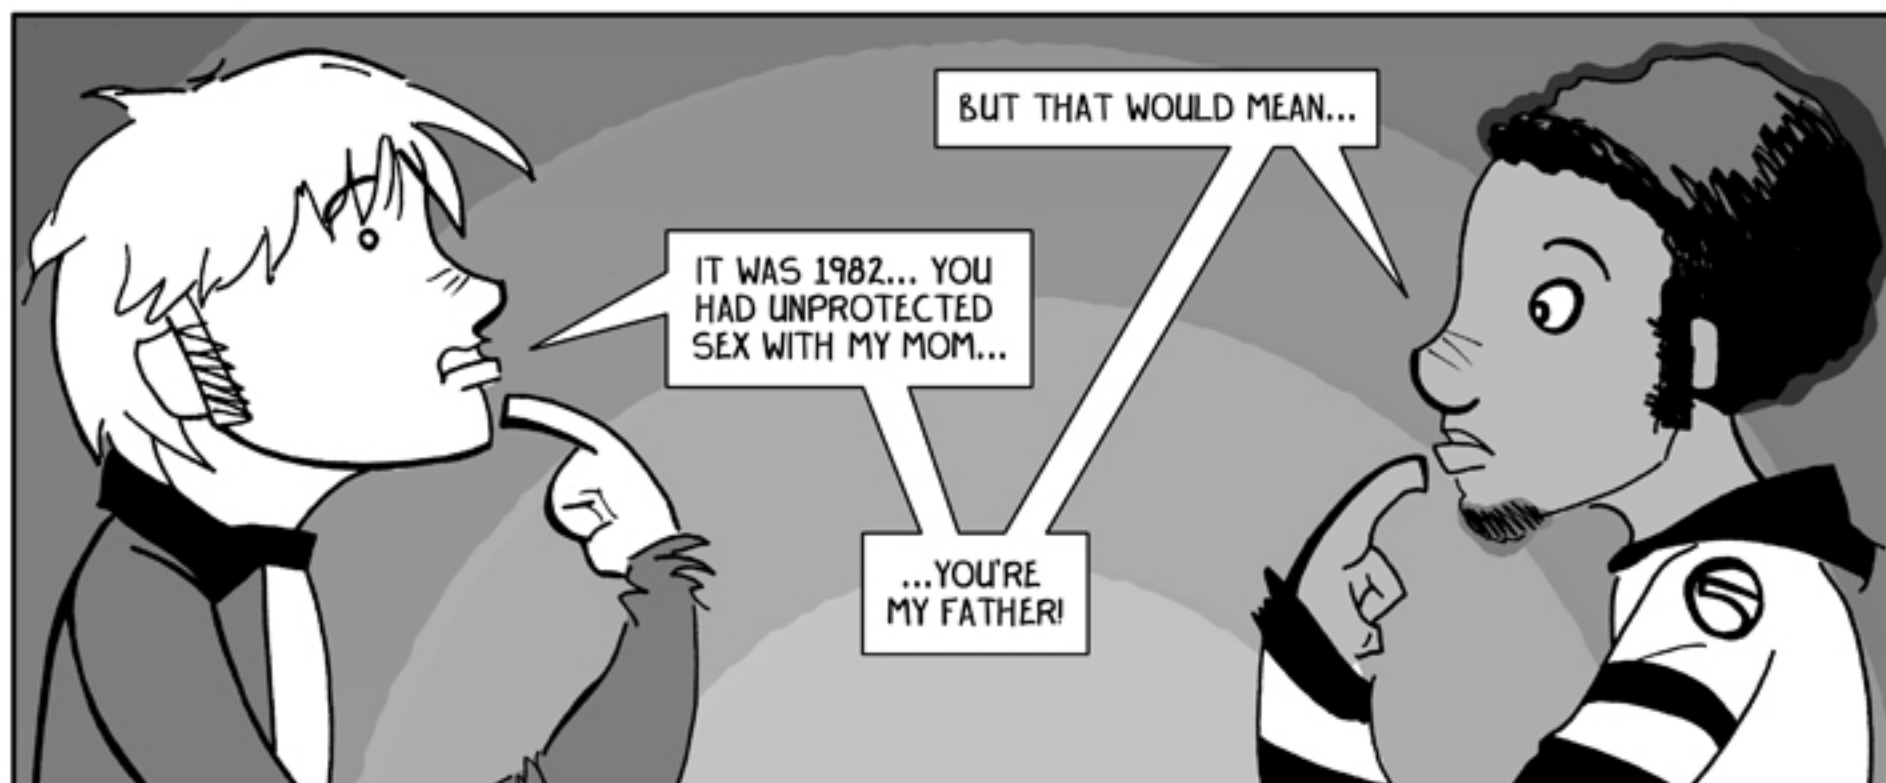

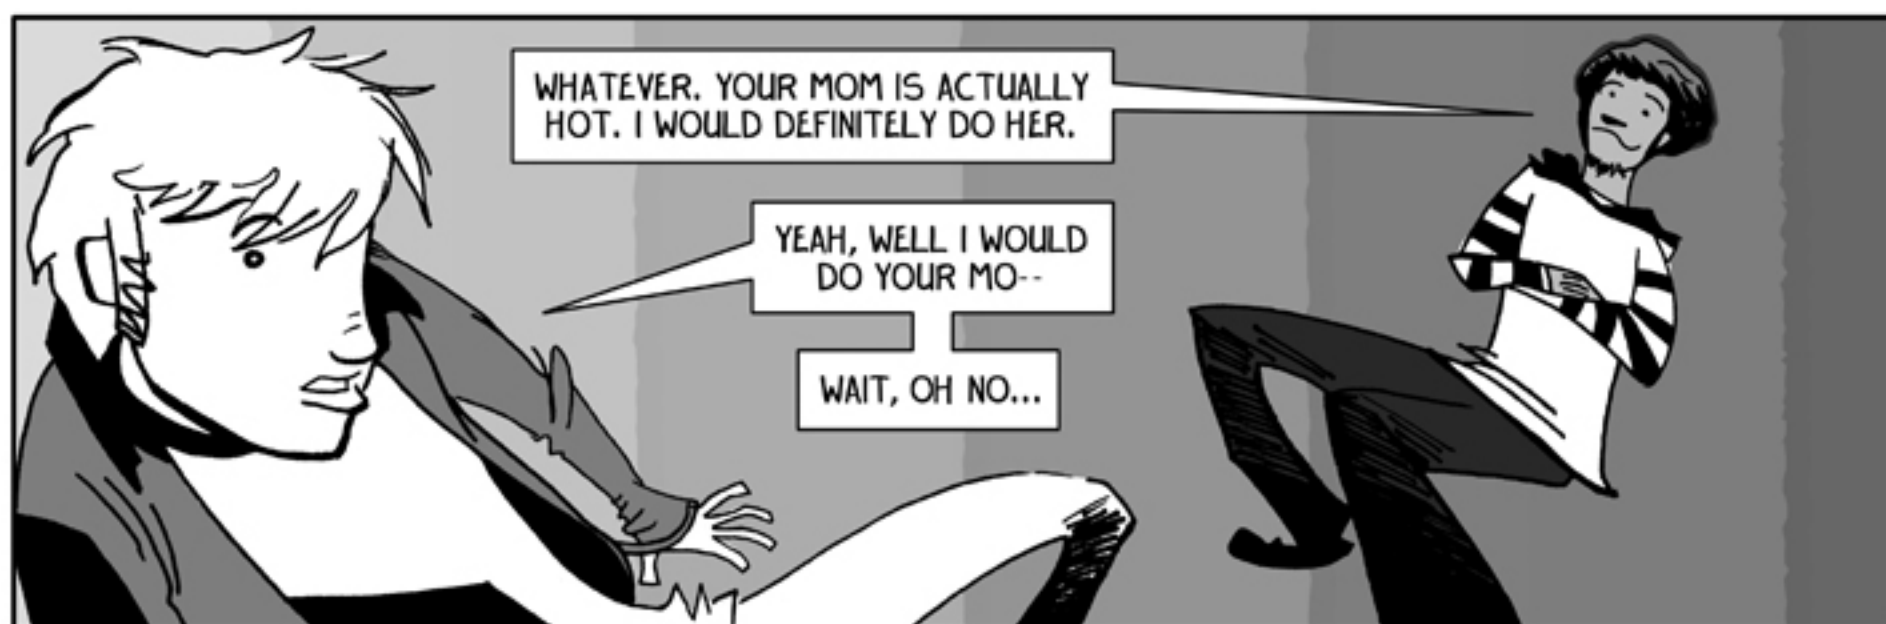

GET 'EM!!!
