2017

FOUR LEFTOVER PIZZA SLICES. A RADIOACTIVE REFRIGERATOR. A BIZARRE TRANSFORMATION.

TRAINED IN SECRET BY A HALF-EATEN HOAGIE, THEY GAINED AMAZING MARTIAL ARTS SKILLS.

EVIL ENEMIES LONG FOR NOTHING MORE THAN TO DESTROY THE SLICES AND THEIR BELOVED CITY.

THEY ARE...

TEENAGE MUTANT NINJA PIZZA

DREAMED UP AND DRAWN BY DANIEL ARRUDA MASSA

WRITTEN AND LETTERED BY NICK MARINO

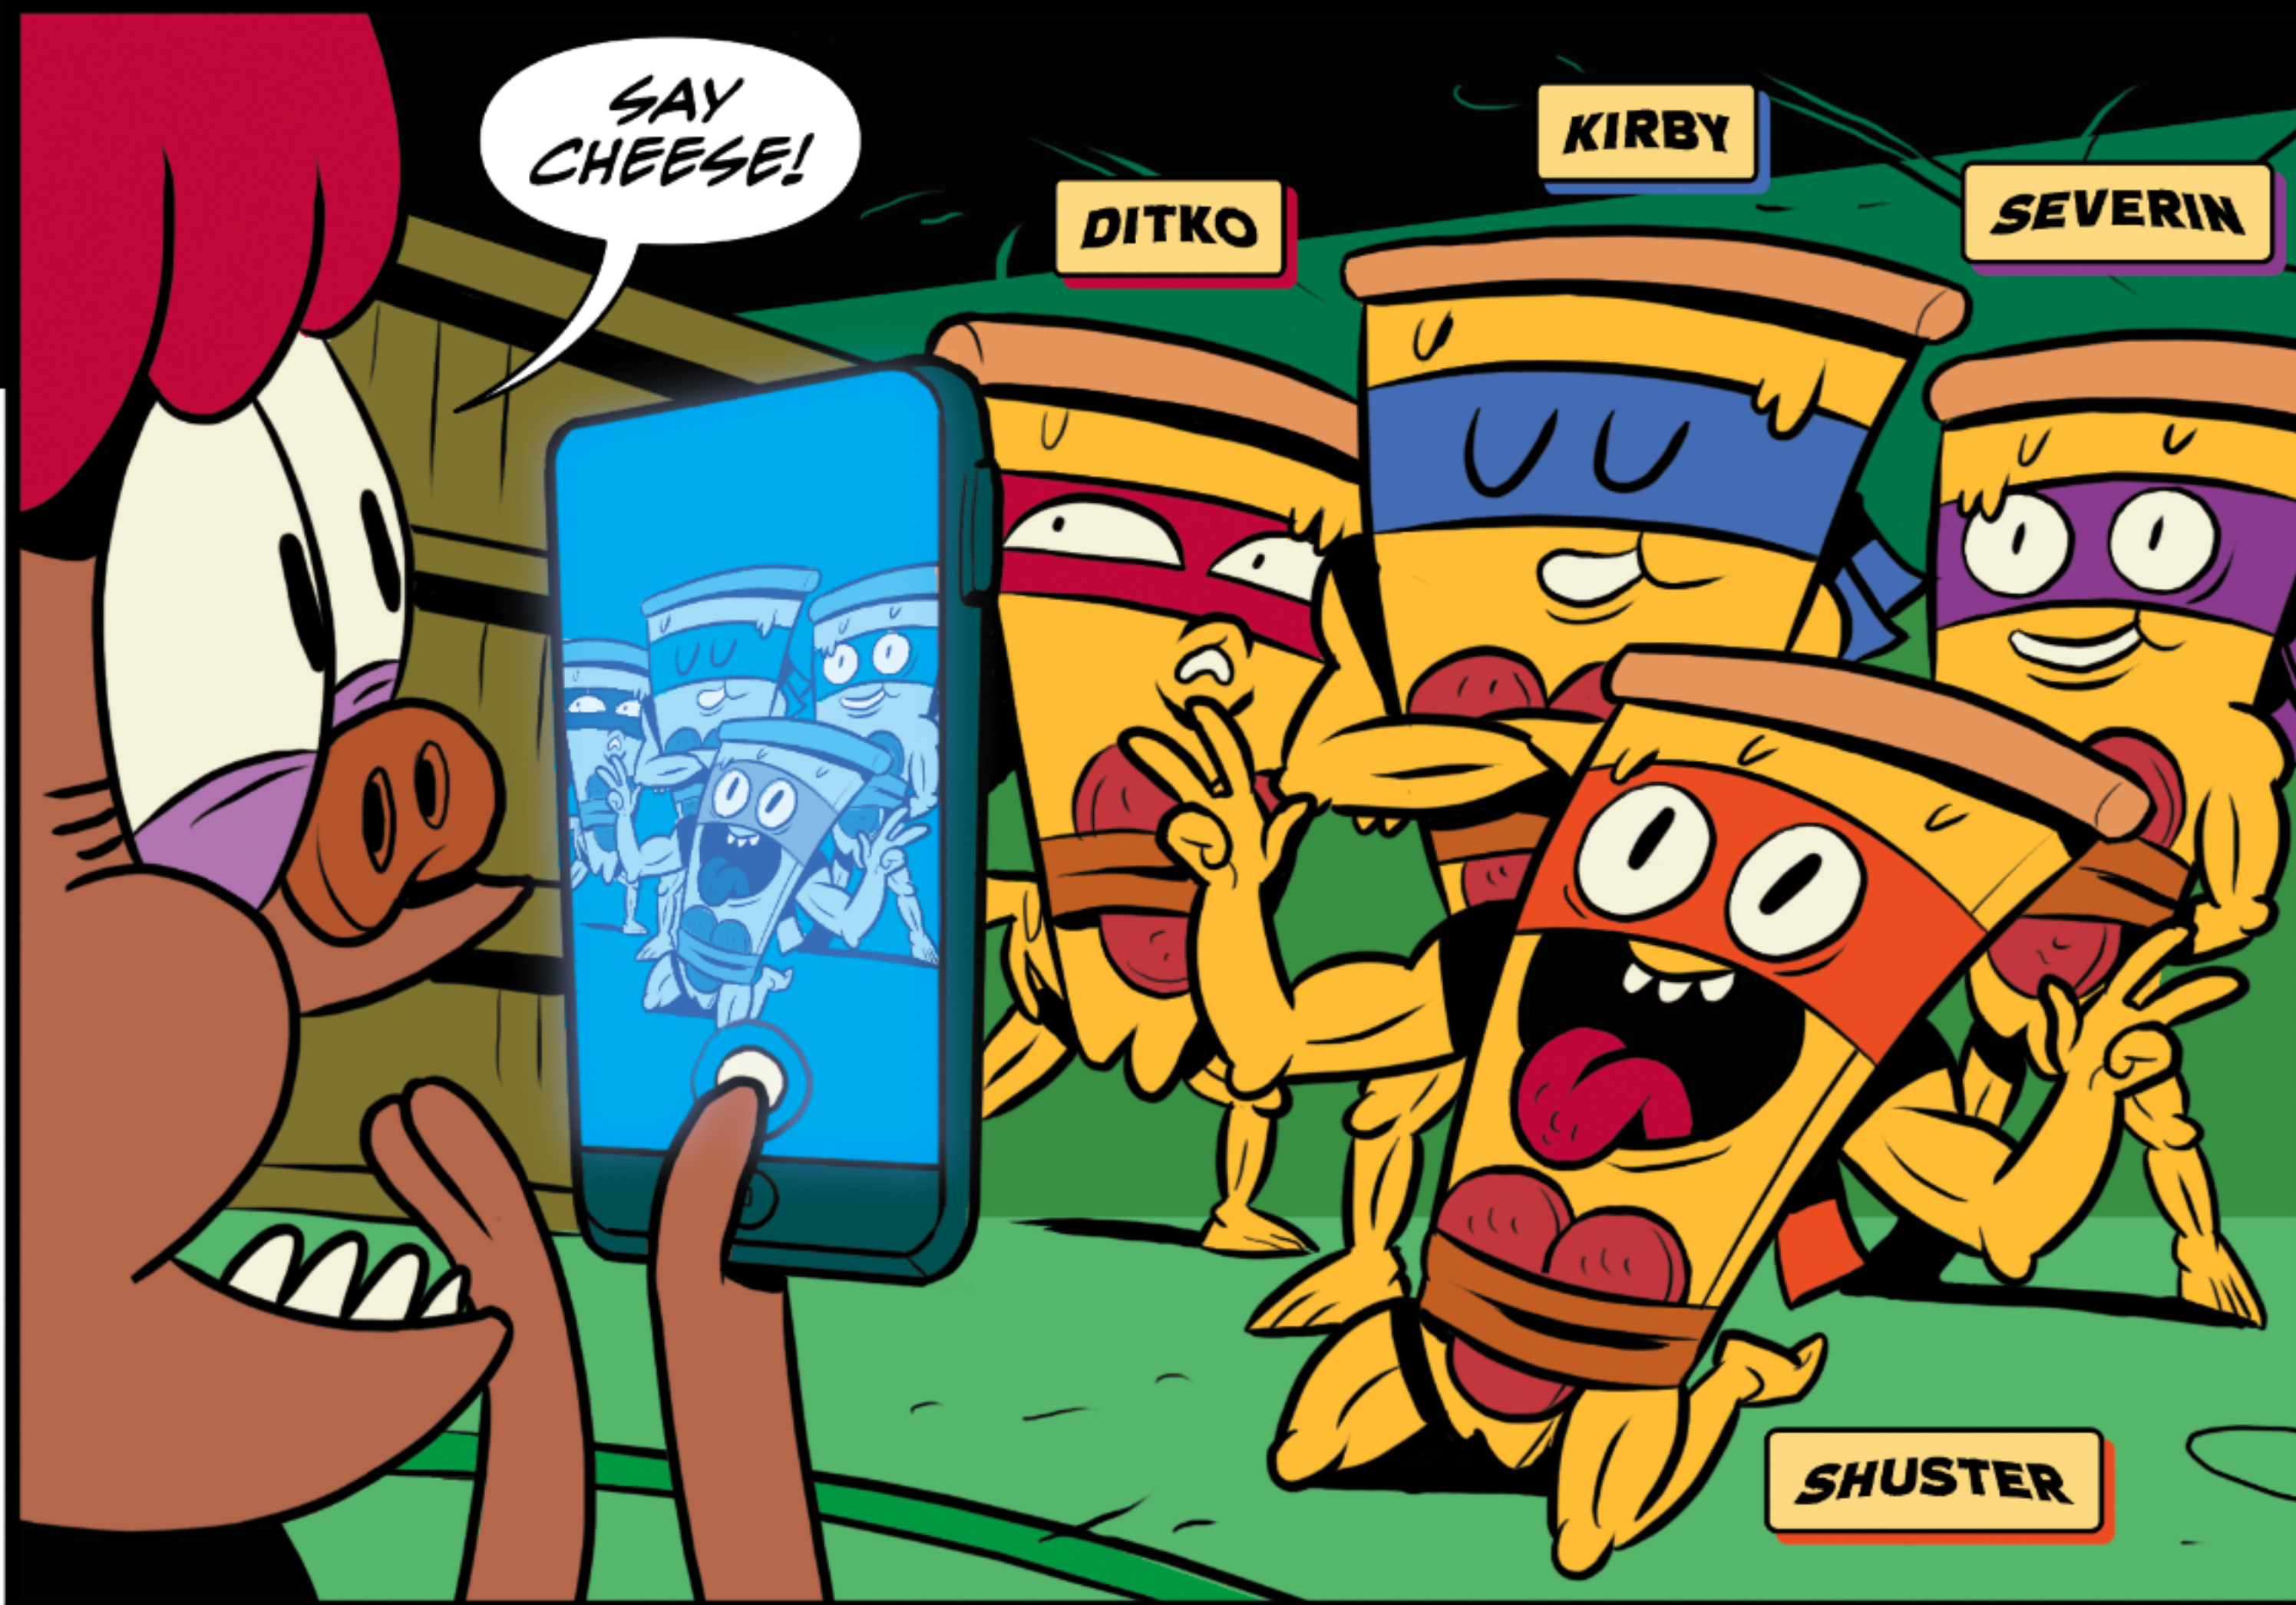

HAMHATTAN, NEW YORK CITY. AS NIGHT DESCENDS, FASCINATING DEVELOPMENTS ARE AFOOT IN THIS MIGHTY METROPOLIS.

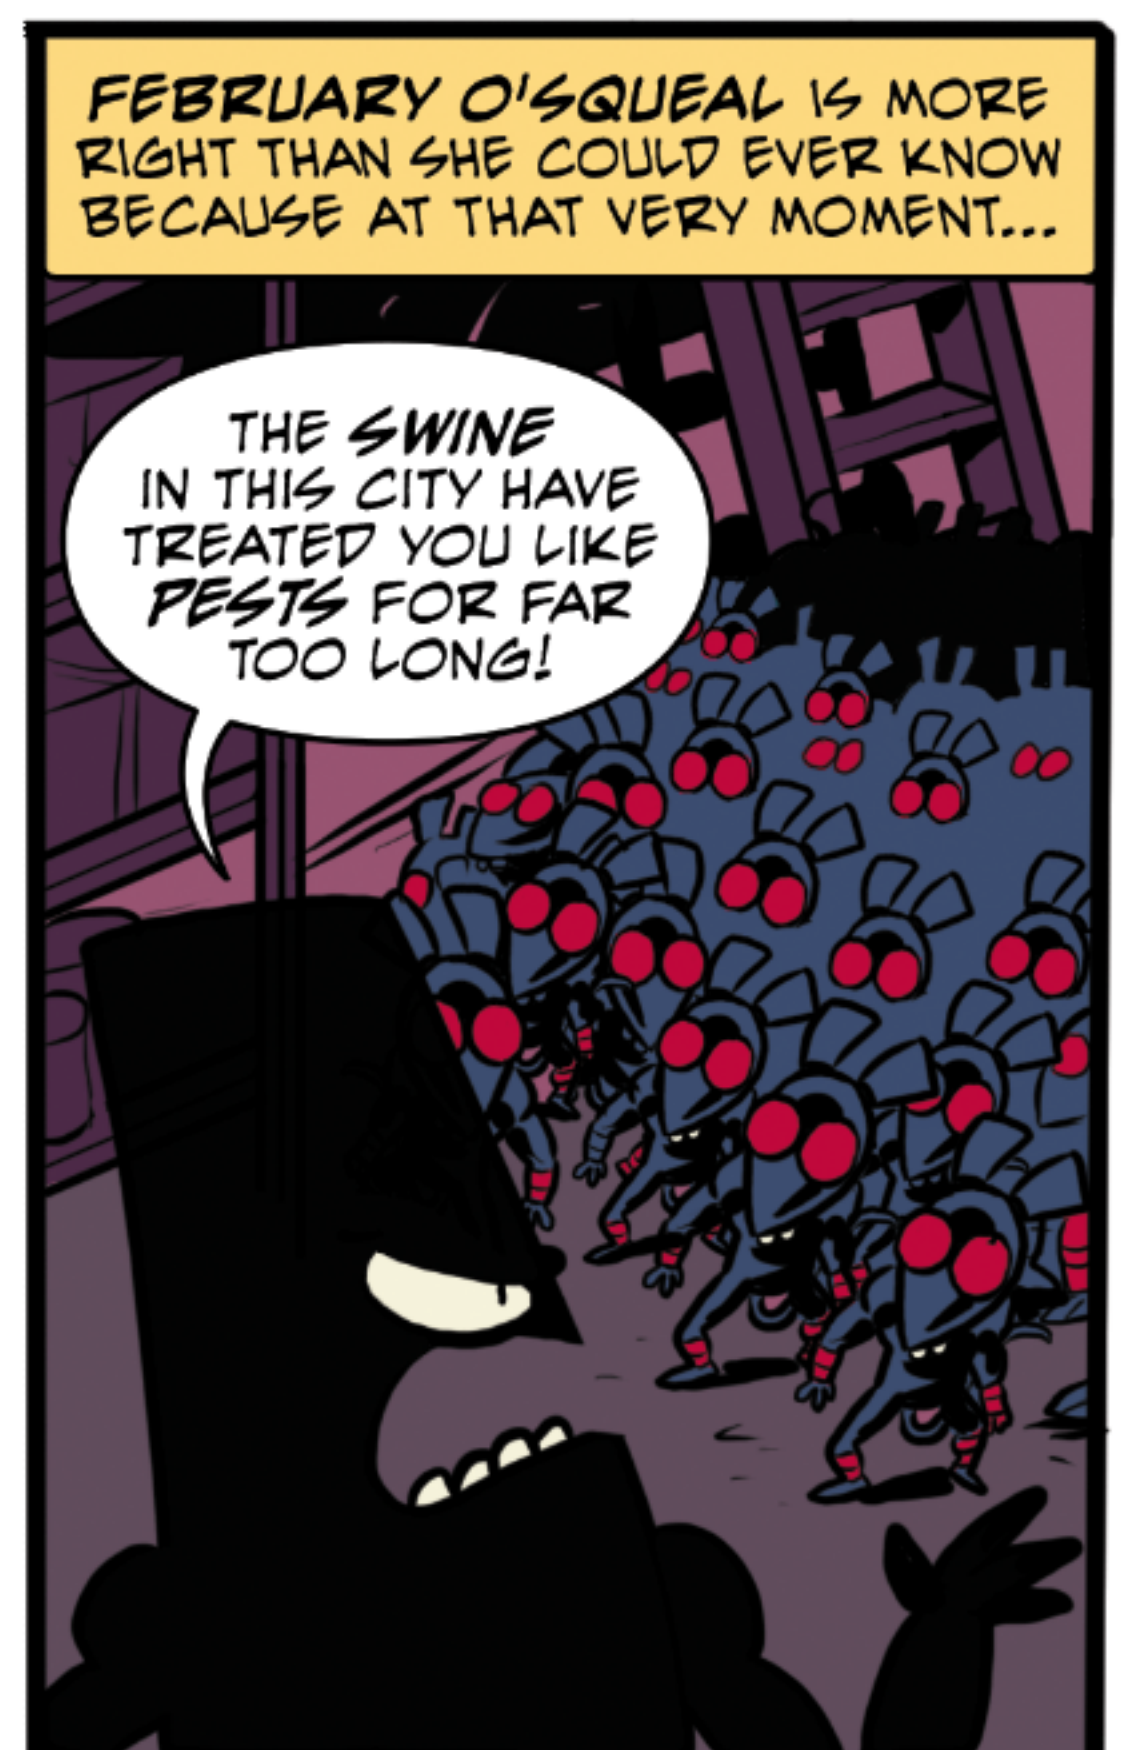

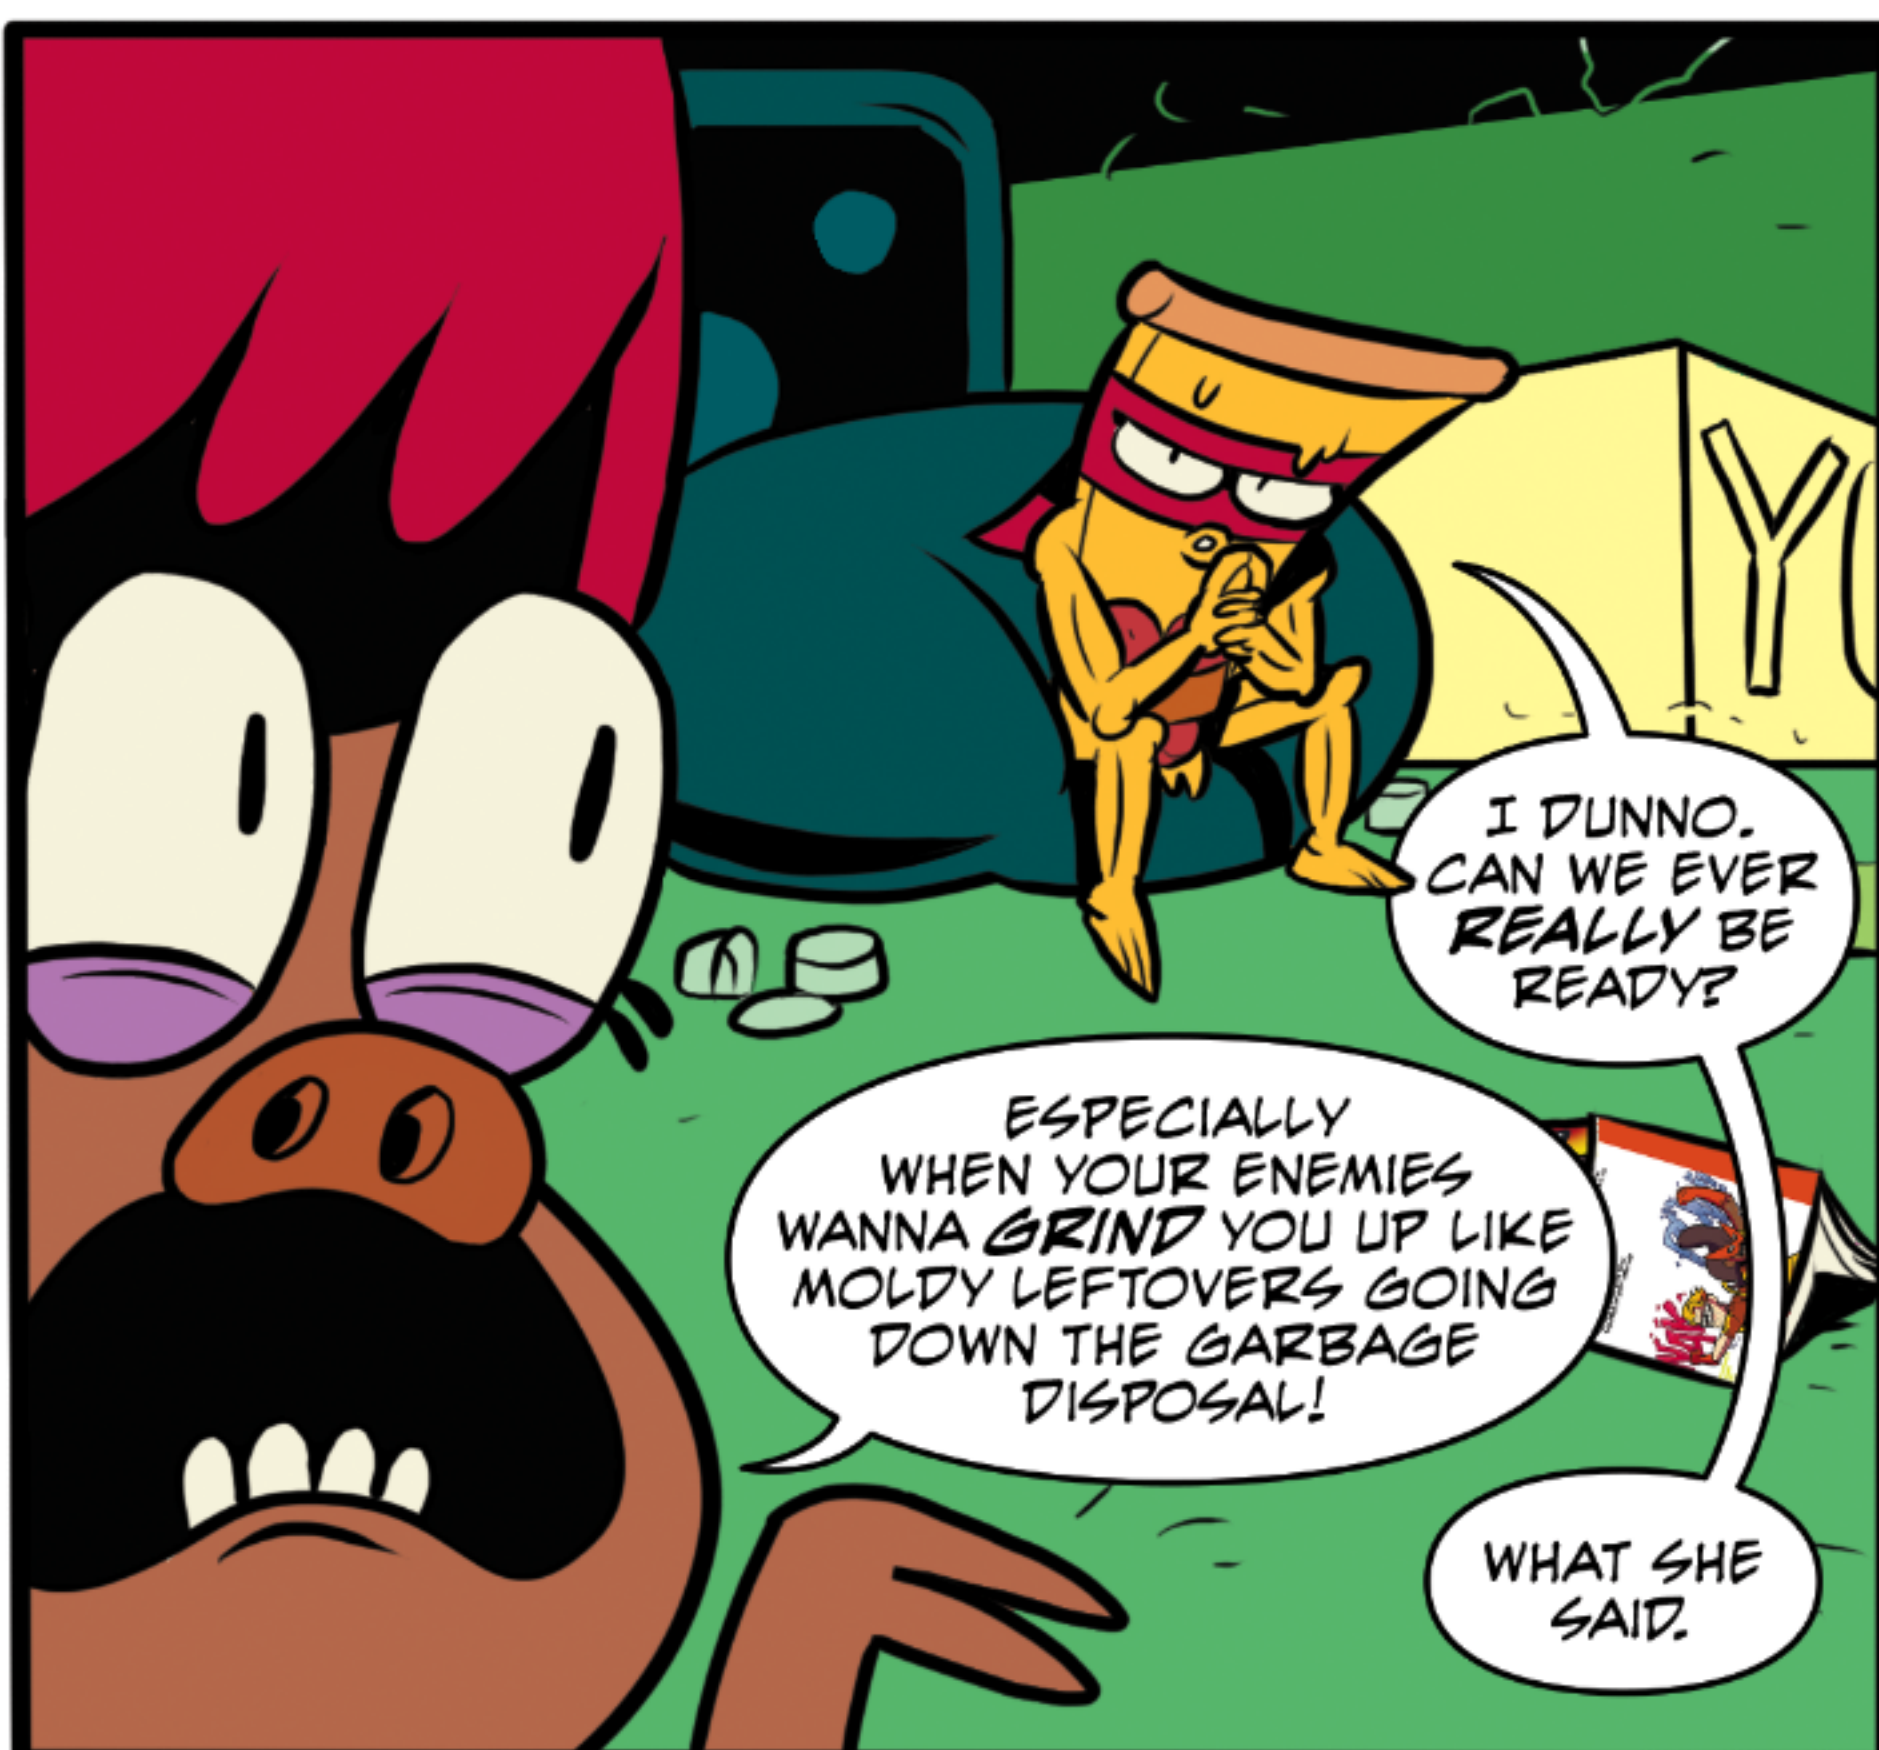

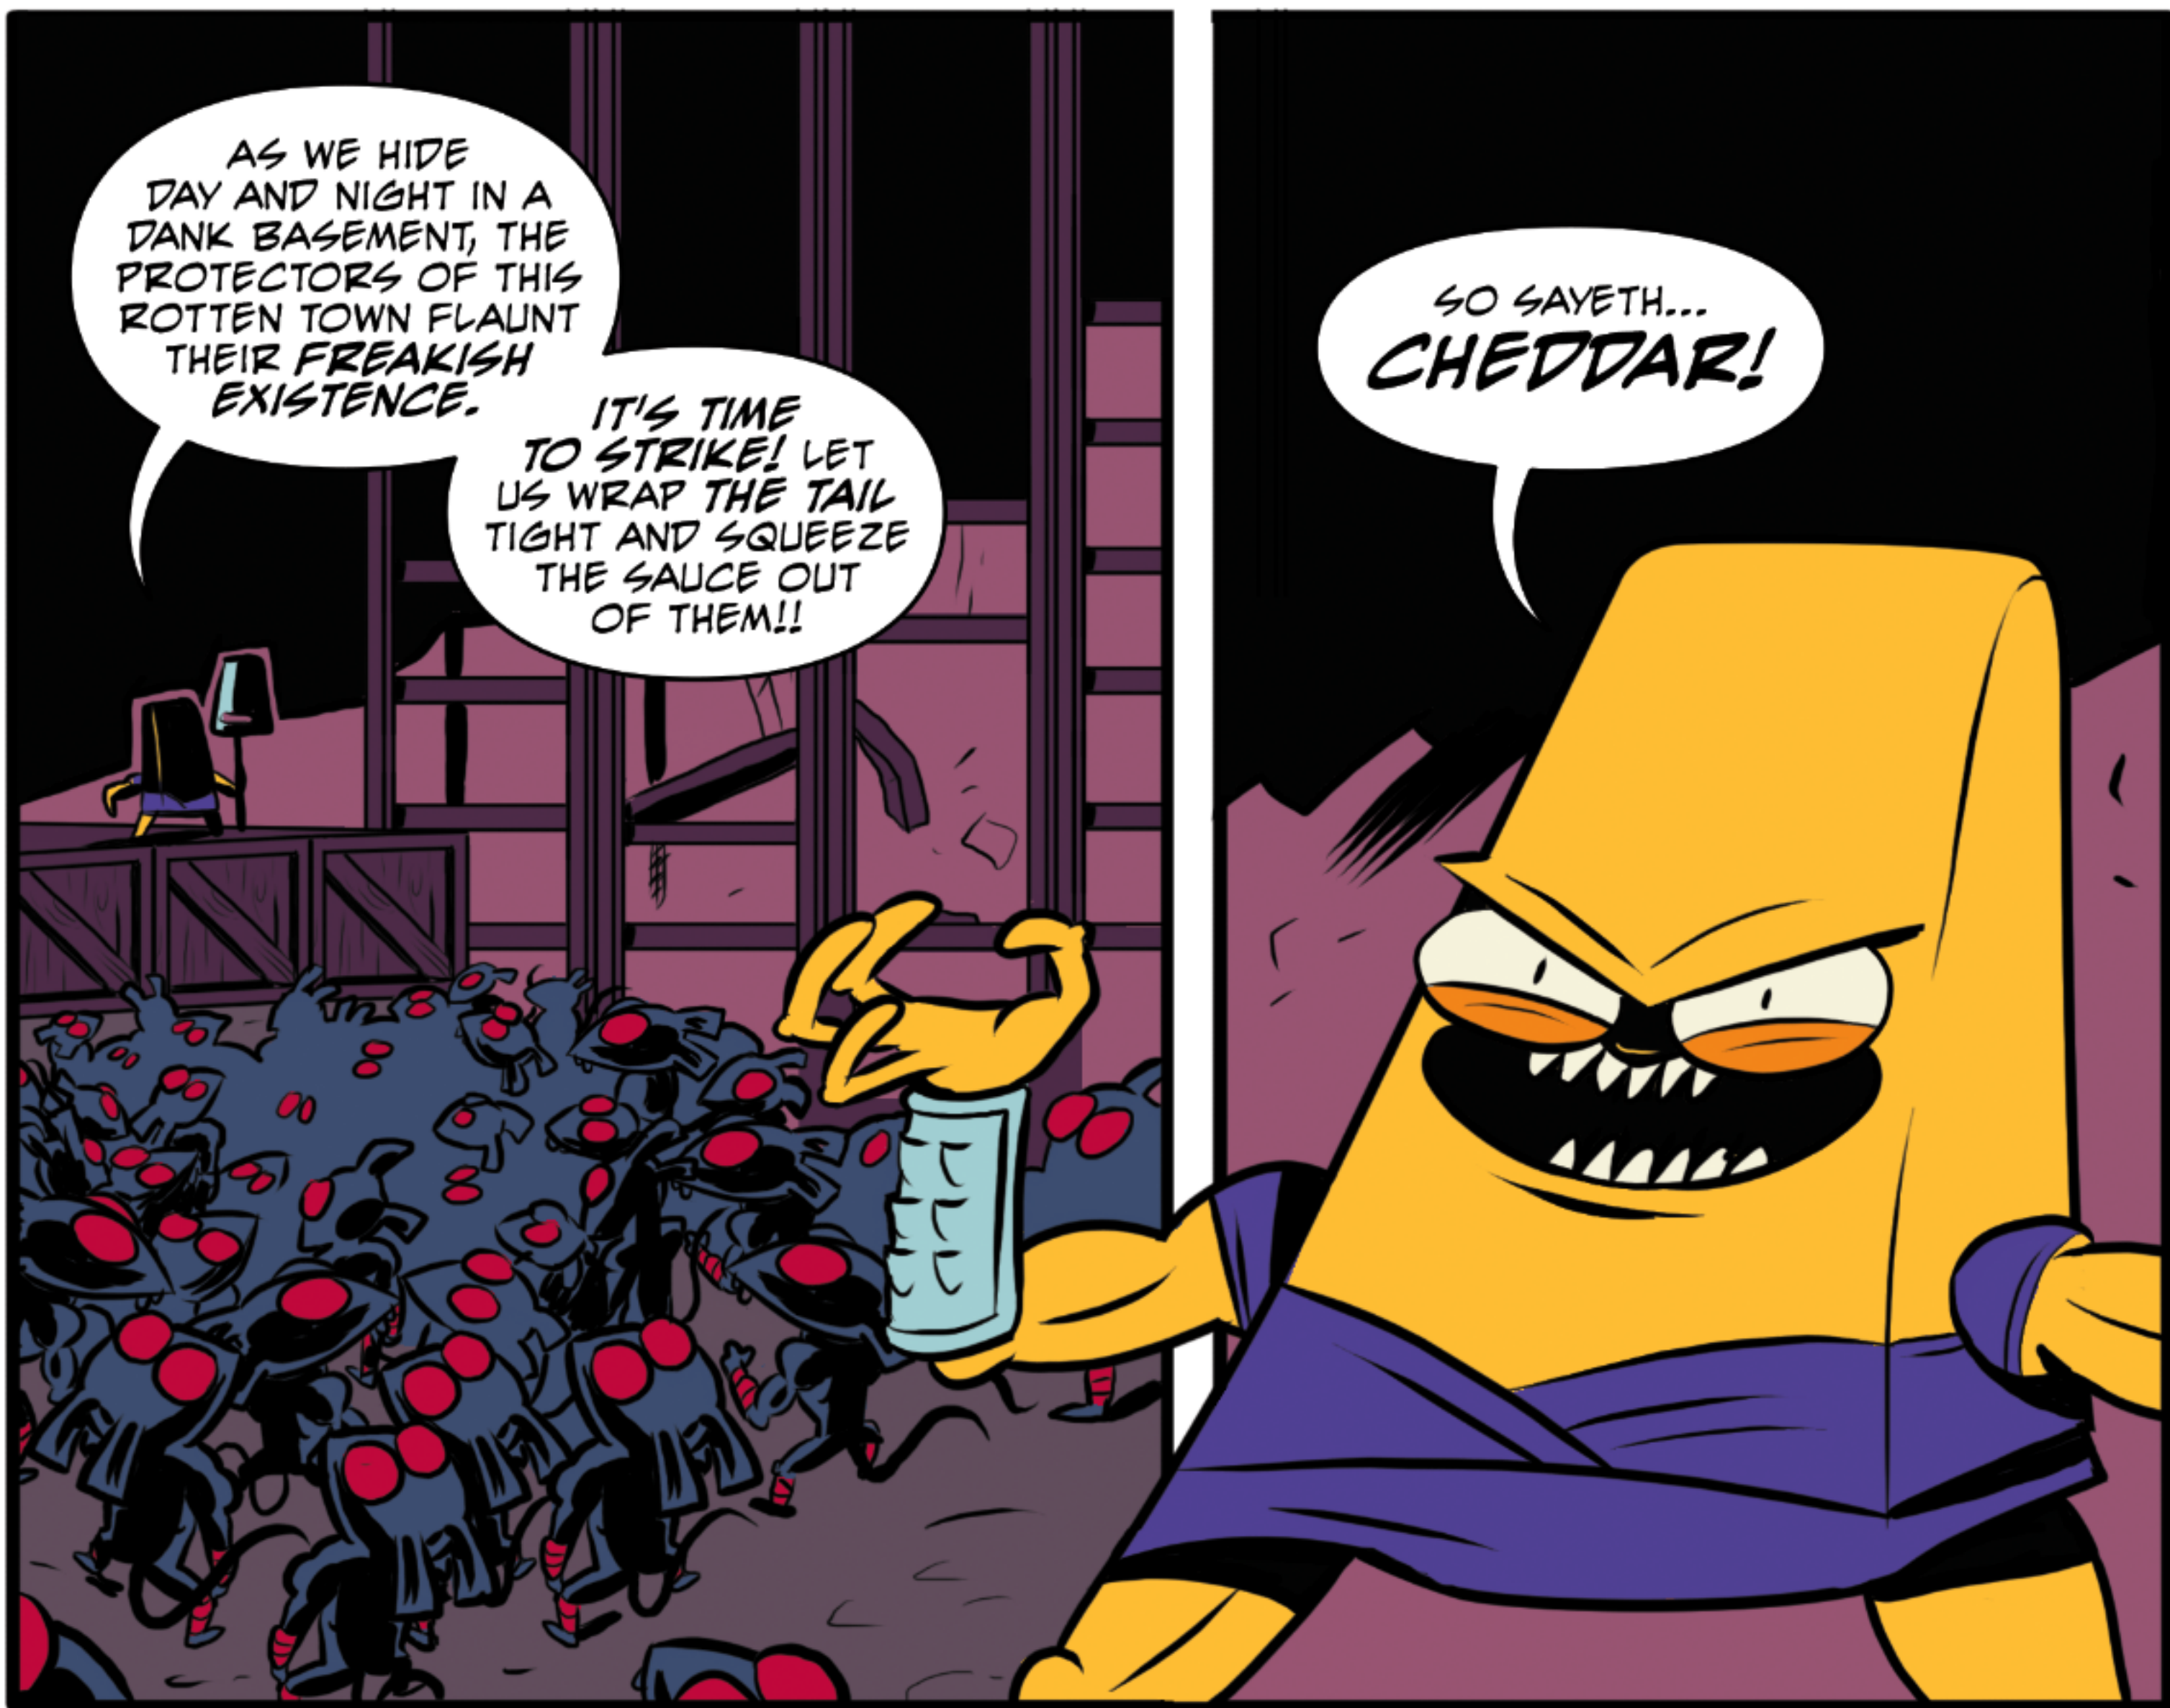

IF AN ABANDONED TRASH TRUCK IN THE BACK OF A DEAD END ALLEY IS THE LAST PLACE YOU'D EXPECT TO FIND A PIZZA PARTY, WELL...

...YOU'D BE WRONG!

AS WE HIDE DAY AND NIGHT IN A DANK BASEMENT, THE PROTECTORS OF THIS ROTTEN TOWN FLAUNT THEIR FREAKISH EXISTENCE.

IT'S TIME TO STRIKE! LET US WRAP THE TAIL TIGHT AND SQUEEZE THE SAUCE OUT OF THEM!!

SO SAYETH...
CHEDDAR!

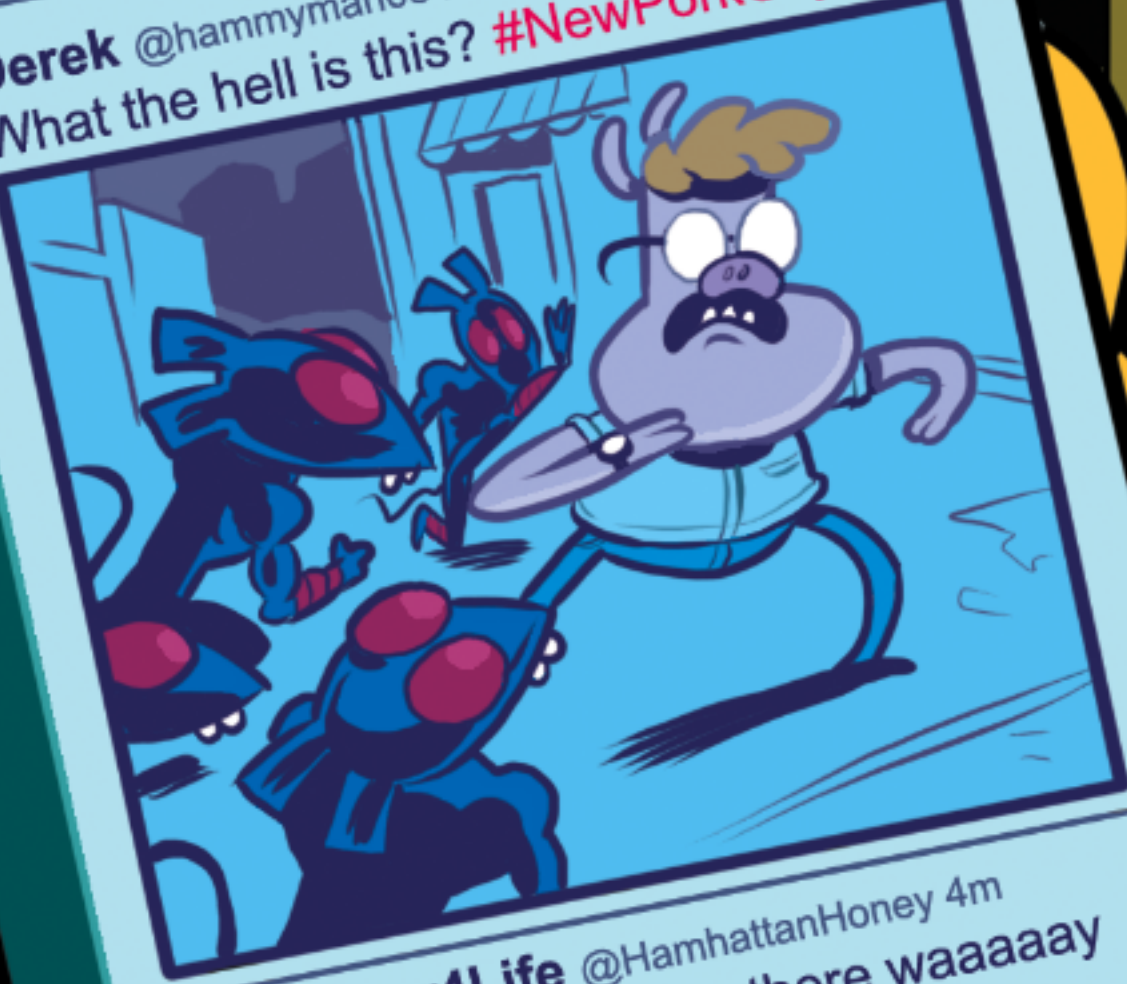

IT LOOKS LIKE WE'LL NEED TO BE **READY SOONER** THAN LATER!

Do NOT come into Hamhattan tonight. Something is seriously wrong. I'm not joking. Angry rats are everywhere.
